How to... program an ST robot with RoboForth.

7 videos • 1,845 views • Last updated on Dec 24, 2019

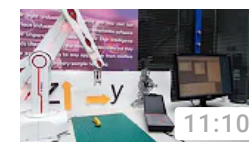

A list of videos that take you through the programming step by step. The first one is an overview of how easy it is to get started. It covers named places and routes and also shows what happens when you crash a robot. Howtos 2, 3 and 4 show the main tools for programming in RoboForth. Howtos 5 and 6 are specific to tool changers.
