Amstrad CPC 464 | Load tape images, no mods required!

545 views • Jul 1, 2020

👍 42   👎 0   ➤ SHARE   SAVE   •••

I take a chance on a cheap device to allow me to load CDT (tape) images on my Amstrad CPC 464 without making any modifications to the computer. It's so simple you'll kick yourself if you didn't think of it!

Special thanks to Jan Beta - https://www.youtube.com/c/JanBeta/ - for kindly allowing me to use some of his footage in this video.
